NOTES:-

This is an X-rated event, meaning that there are no manned controls nor facilities laid on at start and finish.

The route is designed so that the control towns should have some kind of shop or 24hr service for basic provisions and to obtain proof-of-passage.

The routesheet doesn't mention all trls & mini-rbts where the route is straight on.

At the finish it is your responsibility to obtain final proof-of-passage. Ensure all receipts, etc., are attached to your brevet card, sign your card, and post to me within 10 days.

Acceptable proofs-of-passage include:-
Signatures with date, time, and place.
Rubber stamps with signature & time/date.
Receipts with place and time/date.
ATM receipts similarly.

Checklist

Card completed & signed
Proof-of-passage for all controls
